

Highly efficient paper for best results.

Premium multi-purpose paper of a very high whiteness enabling high contrasts. Due to the clarity of printing and colours, it is ideal for printing of texts, as well as demanding graphics on laser, inkjet and copying devices. Due to the excellent opacity and volume, it is an ideal solution for two-sided printing. Its good technical parameters enable smooth printing and copying.

 Product advantages:	 Typical use
High whiteness, ideal for high contrasts Exceptionally smooth surface, excellent for colour laser printing of graphics Excellent opacity enables smooth two-sided printing Excellent functioning FSC® certificate	Presentations Invoices Marketing brochures Business reports Direct mailing Annual reports
